

Southern Futsal Financial Aid Information

Affiliated with US Youth Futsal

Southern Futsal has developed a program that provides financial aid to qualifying youth athletes in order to play Futsal so that no child is denied an opportunity to play due to financial hardships. This program maintains confidentiality while assisting players with monthly fees. It does not cover the cost of uniforms, travel expenses and tournament fees.

The committee will review all applications for assistance and make recommendations on awards.

Financial aid information is for the sole purpose of Southern Futsal assessing eligibility and will not be shared with anyone other than the committee. Please submit the following documents to Southern Futsal to be considered for financial aid:

- 1) Completed financial aid application.
- 2) Copy of all last year's W-2 income tax forms and a copy of the first two pages of last year's 1040 income tax return.
- 3) Copies of last two employment pay stubs.

Please do not hesitate to contact us if you have any questions. Southern Futsal
